## Abstracts

During 2013, online sales to country residents continued to develop rapidly, increasing by 14% in current value. This strong rate of growth was one percentage point higher than the 13% current value CAGR recorded in the category over the course of the entire review period. Growth in the category is being driven mainly by the most dynamic categories such as travel accommodation online sales to country residents, which registered 14% current value growth in 2013, airlines online sales to country...
