Abstracts

From 2016-2017, online travel sales to US residents posted strong value growth of 7%, a rate that outpaced that of offline sales and continued to benefit from the high prevalence of internet and smartphone usage in the country. Online travel agents registered the strong value sales growth in 2017 at 13% as more US residents moved online to conduct their travel transactions. Airlines, which was amongst the first travel industries to embrace direct online sales, saw the slowest growth in terms of...
