Abstracts

The oral care market continues to show promise, with different key drivers in developed and developing markets. Growing affluence in developing economies allows consumers to make oral care a necessity, meanwhile developed markets are seeing increasingly sophisticated oral hygiene routines for health, cosmetic and financial reasons. To serve both, manufacturers are delivering greater product functionality and added value, along with product segmentation at both budget and premium price points.

Euromonitor International's Oral Care Adds More Bite: Growth Through Increased Penetration and Diversity global briefing offers an insight into to the size and shape of the Beauty and Personal Care market and highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The report also explores developments in the premium vs mass/masstige segments, and the evolution of novel beauty concepts.

Product coverage: Baby and Child-specific Products, Bath and Shower, Colour Cosmetics, Deodorants, Depilatories, Fragrances, Hair Care, Mass Cosmetics, Men's Grooming, Oral Care, Oral Care Excl Power Toothbrushes, Premium Cosmetics, Sets/Kits, Skin Care, Sun Care.
