ID: OC41084A39EEN

Abstracts

Having significantly downsized its lending business due to the full implementation of the Money Lending Business Act in 2010, Orient Corp restructured its business portfolio to adapt to the changing consumer finance environment in Japan. The company continues to strengthen its focus on instalment payments in areas such as auto loans, which remains the company's core business. The company is also increasingly focusing on lucrative areas in Japan, such as home renovation and education loans.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Financial Cards in Circulation, M-Commerce, Transactions.
