Abstracts

Chocolate-based flavoured powder drinks is the largest category within other hot drinks in retail volume terms and it continued to see strong growth in 2021. The category saw a surge in demand in 2020 as Russia introduced a raft of measures to contain the spread of COVID-19, including closing schools. With children spending significantly more time at home this helped generate increased demand for chocolate-based flavoured powder drinks, with products such as Nesquik being very popular, especial...
