## Abstracts

Algeria was already in an economically and politically fragile state before COVID-19 and now, in 2020, the country faces new challenges. Being highly dependent on oil and gas imports, Algeria is now on economic alert due to a decline in barrel prices in 2020, driven by the impacts of COVID-19. The government-ordered lockdown in order to prevent the spread of the virus has negatively affected both the offer and demand of packaged food in the country. Production and distribution are disturbed by a...
