Abstracts

COVID-19 will have a significant effect on demand for packaged food in Uzbekistan during 2020. The economic instability it engendered has led to an acceleration in the country's already rapid rate of consumer price inflation during the spring by means of a depreciation in the foreign-exchange value of the Uzbek som. The pandemic also led to a significant amount of switching – from unpackaged to packaged dairy products and baked goods for reasons of hygiene and to more affordable offers e.g. mar...
