Abstracts

As Brexit approaches, it remains unclear as to what form the UK's exit from the EU will take. A Light/No Brexit, a No-Deal scenario and a disorderly No-Deal Brexit all remain possibilities, with the latter especially feared by many in the packaged food industry. This report explores the best- and worst-case scenarios for packaged food, the range of impact by category and other issues to consider for those looking to map the near to mid-term progress of packaged food in the UK.

Euromonitor International's Packaged Food Under the Brexit Scenarios global briefing offers an insight into to the size and shape of the Packaged Food market, highlights buzz topics, emerging geographies, categories and trends and identifies the leading companies and brands. It also offers strategic analysis on driving packaged food industry trends like health and wellness, premiumisation, convenience and value-for-money and how those trends influence factors like new product developments, packaging innovations, retail distribution and retail pricing both historically and into the future.

Product coverage: Cooking Ingredients and Meals, Dairy Products and Alternatives, Snacks, Staple Foods.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
