## Abstracts

There were some changes seen in the Spanish packaging industry when the pandemic hit the country in 2020, some of which have also carried on into 2021. The awareness of and the need to maintain hygiene levels increased in 2020, continuing into 2021. The specific focus on hand hygiene resulted in strong growth for bar and liquid soaps in 2020, with further positive growth in 2021. People in Spain were also looking for healthier food options like milk alternatives and herbal tea in 2021 due to an...
