Date: January 2024

Pages: 22

Price: US\$ 990.00 (Single User License)

ID: PAB8FA07D79EN

## Abstracts

When the health of their children is concerned, Kenyan parents are generally hesitant to take risks and experiment with new brands. They tend to adhere to established brands that have undergone thorough testing and come highly recommended by medical professionals and their personal social network. Consequently, this loyalty proves advantageous for leading brands, as they not only benefit from repeat purchases, but also leverage positive word-of-mouth referrals to attract new customers to their p...

Euromonitor International's Paediatric Consumer Health in Kenya report offers a comprehensive guide to the size and shape of the market at a national level.
