Abstracts

An increasing number of brands are incorporating eco-friendly practices into their packaging to mitigate environmental concerns. Hong Kong consumers are becoming more inclined towards brands that follow sustainable initiatives. Leading skin care and beauty brands like L'Oréal are promoting the recycling of empty beauty containers among consumers through various initiatives.

Euromonitor International's Packaging in Hong Kong, China report offers insight into key trends and developments in the industry. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?
