## Abstracts

Paediatric vitamins and dietary supplements in Tunisia is experiencing remarkable growth in current value terms in 2023. This growth can be attributed to several factors, including the significant presence of both locally produced and imported brands. Local brands such as Pediakids, Poupon, Pediakid, Kinderkid, and others have gained popularity and trust among Tunisian consumers who are keen to invest in their children's health. These brands understand the specific nutritional needs of children...
