Abstracts

Value sales for paediatric consumer health continues to be low in Uruguay and in 2023 it is expected to register a slight decrease in constant value sales, as continuing rising prices cuts into profitability. Analgesics continues to account for most value sales, followed by nappy (diaper) rash treatments and cough and cold remedies, with nappy (diaper) rash treatments expected to register the highest current value growth in 2022. There are also some supply issues in 2023, particularly for the he...
