Abstracts

Palma as is active in the segment of food production. Its product portfolio is built on two pillars – the production of edible fats and oils and additional production of rapeseed oil methyl ester. Production of vegetable fats and oils remains a key component of the production programme of the company. The company is expected to focus on these products, as they are the most profitable. Therefore, the company will not focus on its baby care brand Bupi and bar soap brand Voux or expand its beauty...
