## Abstracts

Pampi-Lar is preparing a major investment fund in order to expand its production and this is likely to involve the construction of a large third production centre. According to Pampi-Lar, it is possible that the investment required for this project could reach €20 million by 2018 and it is expected that it will create 100 more jobs. On the one hand, the production of high-quality Pampilar brand tissue products is expected to be emphasised. Pampi-Lar is indeed expected to continue devoting the...
