ID: P9FEE5F37E3EN

Abstracts

In 2012, Papercon Philippines Inc maintained its focus on printing for food and non-food packaging. While the company continues to improve its printing services for its clients, increasing competition may have resulted in the company turning its focus mostly on secondary and tertiary packaging, particularly folding cartons, for fast moving consumer goods. Since there has not been a need to provide its own design services, it can concentrate on producing the best quality packaging based on...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
