Abstracts

Pars Cellulose has announced plans to launch new brand Goltex in 2015, with this positioned as suitable for sensitive skin, although the range of products offered by this brand is yet to be announced. The company is thus likely to benefit from ongoing new product development in the forecast period. The company will also continue to benefit from expanding its distribution reach and thus attracting a wider range of consumers. The company's affordable pricing will also prove a key advantage in the...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
