## Abstracts

In Sweden, there is a strong emphasis on adopting sustainable packaging solutions in response to growing environmental concerns. Brands are introducing eco-friendly options such as the Conflex Silk packaging for bouillon cubes. The Swedish dairy industry is also making strides towards bioplastics, and manufacturers are actively promoting these eco-conscious innovations.

Euromonitor International's Packaging in Sweden report offers insight into key trends and developments in the industry. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Packaging market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;

Use five-year forecasts to assess how the market is predicted to develop.
