## Abstracts

PepsiCo ranked second among the world's packaged food companies in 2018. With its large snacks portfolio, established billion-dollar brands and diversified product range, the company still stands out as one of the top performers. To cement its position and push for further growth, the focus is on product reformulation, introducing more nutritious options, increasing snacking occasions for its brands, and further geographical expansions, beyond the US.

Euromonitor International's PepsiCo in Packaged Food (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Packaged Food market. The report examines company shares by region and sector, brand portfolio and new product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.
