Abstracts

Personal care appliances are more widely available than most other consumer appliances. These products can be purchased in store and online, through independent and chained retailers, while some products like hair care appliances are also available through professional salons. Likewise, among chained retailers people can purchase from electronics and appliance specialists like Mediaworld across its different store formats, but also from health and beauty specialists. More recently, the range of...

Euromonitor International's Personal Care Appliances in Italy report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth.
