Abstracts

Having surged by more than a third during 2020, the rate of growth in retail current value sales of personal care appliances will slow significantly but remain robust during 2021. Body shavers and hair care appliances account for the bulk of retail current value sales of personal care appliances in Russia. Retail current value sales of body shavers surged by almost two thirds during 2020, while the rate of growth in retail current value sales of hair care appliances also accelerated – albeit at...
