## Abstracts

This report draws a global picture of the pet care industry at the end of 2015, analysing which categories are growing faster and which are the new hotspots in the face of the recent slowdown in emerging markets. This briefing provides a global and regional overview of current market performance, as well as market projections in light of the current economic climate.

Euromonitor International's Pet Care Global Overview 2015 and the Future Ahead global briefing offers an insight into the development of the market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading and emerging companies and brands, offers strategic analysis of key factors influencing the market, including background information on pet population, pet ownership by household and prepared gap ratio. Forecasts illustrate how the market is set to change and criteria for success.

**Product coverage:** Pet Food, Pet Products.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
