## Abstracts

The pet care industry in France has been hit hard by price rises, which started in 2022 and have continued into 2023. Manufacturers and retailers have faced mounting pressure to raise prices due to increasing costs, including raw materials, packaging, energy and transportation, as well as supply chain issues. Those manufacturers that have sort to limit price increases have turned to measures such as reducing pack sizes (a trade interview estimated that around 80% of pack sizes had decreased) in...
