## Abstracts

Pet care in Italy has changed a lot in the three years since the start of the pandemic. Italy was hit by elevated inflation and high energy prices in 2022 following Russia's invasion of Ukraine, with the effects of this continuing to be felt in 2023. Despite this, demand for pet care remains fairly resilient in Italy. While price increases are being seen in all categories of pet care, some companies have looked to avoid passing on the entire burden of the increase in production costs to the cons...
