## Abstracts

The pet care market in Ukraine has been strongly impacted by war and inflation, but despite these challenges sales remain healthy in 2023. Pet owners that are used to buying such products often perceive pet food to be an essential category and thus demand has remained stable. Volume sales of pet food dropped in 2022 as Ukraine's population and pet population shrank dramatically after Russia invaded, but volume sales have returned to growth in 2023 as some consumers have returned.

Euromonitor International's Pet Care in Ukraine report offers a comprehensive guide to the size and shape of the market at a national level.
