Abstracts

Pet Express is expected to increase the number of its outlets in rapidly growing cities outside Metro Manila. Although it has made its products available online, this is not likely to lead to a slowdown in the expansion of its physical stores. Pet Express is also predicted to provide local and imported brands for dogs and cats with little prospect of introducing its own private label.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
