Abstracts

The trend towards natural and organic products is not limited to just pet food, but it extends to pet products as well. Consumers are becoming increasingly aware of the impact that pet products have on the environment and are demanding more sustainable options. For example, pet owners are looking for cat and dog litter that is made from renewable resources and is biodegradable. They also want pet healthcare products that are free from harmful chemicals and are made with natural, organic ingredie...

Euromonitor International's Pet Products in Canada report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth.
