Abstracts

Plant-based dairy is the winner in 2023, enjoying healthy volume growth and strong value sales alike. This positive dynamic is supported by the fact that plant-based dairy in Romania is growing from a relatively small base. While plant-based dairy has been available in the country for some years, the event of the COVID-19 pandemic and associated health trends accelerated consumer interest in healthy-positioned plant-based dairy. Previously to this, plant-based options were mainly limited to reli...
