Abstracts

Over the review period, Polyseal Manufacturing Industries Inc has continued to focus much of its effort towards being the leading provider of closures in the country. Although it has had interests in flexible packaging, its research and development remain largely focused on identifying gaps in the market and developing closures to meet those needs, establishing a niche that allows it to compete.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
