Abstracts

Portable players is now limited to sales of e-readers and wireless speakers in Australia with the latter dominating category sales and driving growth in 2023. Wireless speakers are marketed towards younger consumers, who place a high value on portability and convenience. To meet the increased demand for portability amongst this group of consumers, manufacturers are making their speakers more durable, including the use of dust- and water-resistant materials, unlocking a variety of usage scenarios...

Euromonitor International's Portable Players in Australia report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level.
