Abstracts

Portable players is seeing a healthy performance in 2023, in part thanks to the overall popularity and success of wireless speakers, in addition to the return of gatherings and social occasions out-of-home in the post-pandemic landscape. Indeed, in the early stages of 2023, consumers flocked to public spaces to enjoy social gatherings, which they were unable to do during the era of the pandemic. In this context, a large number of official music events and festivals have also contributed to the r...
