## Abstracts

Sales of portable players is recording growth in retail volume terms in 2023, but this being fuelled entirely by the growing demand for wireless speakers. E-readers continue to lose appeal while portable multimedia players have now largely disappeared from the market as demand has dried up. Declining demand for portable media players was exacerbated by the COVID-19 pandemic and the category was then hit by the economic uncertainty that unfolded over the course of 2022 due to the war in Ukraine a...
