Abstracts

Most portable media player products, particularly portable MP3 players and portable multimedia players, are usually associated with a younger range of consumers. Younger social groups in Portugal are the most affected by unemployment. According to the National Bureau of Statistics, unemployment figures for those under the age of 25 in Portugal reached approximately 100,000 in 2010, with even graduates struggling to find jobs. As their purchasing power continues to decline, young consumers are...
