## Abstracts

In 2023, premium beauty and personal care in China saw a notable current value rebound from the decline seen in 2022, although sales did not quite return to the 2021 level. After premium skin care, premium colour cosmetics is the largest category within premium beauty and personal care. Although in recent years premium colour cosmetics faced severe challenges from the mass segment in categories such as eye make-up and lip products, there was some relief in this phenomenon in 2023. In foundation,...
