## Abstracts

Volume sales growth in premium beauty and personal care in Guatemala was moderate in 2023, with current value sales rising rapidly as a result of price increases, though at a slower rate than during the previous two years. Local habits in terms of beauty and personal care routines were shown to be entrenched, with consumers reluctant to radically alter their behaviour and higher-income Guatemalans elastic in response to changing costs.

Euromonitor International's Premium Beauty and Personal Care in Guatemala report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth. Forecasts to 2028 illustrate how the market is set to change.
