Abstracts

Premium beauty and personal care witnessed more dynamic growth in current value terms in 2023 than mass beauty and personal care. There were a number of factors behind this, although one of the major ones was the increased number of tourists. With the pandemic declared over in early 2023 there was a large influx of pilgrims looking to perform Hajj, with this also boosting demand for premium beauty and personal care. These products are often bought as gifts to be taken back to loved ones after th...
