Abstracts

Retail current value sales of premium and luxury cars grew by 22% in 2023 to total SEK58.5 billion. This was due to rising demand from higher-income consumers, with expenditure proving resilient despite wider macroeconomic headwinds. The demand for premium and luxury cars is contingent on wealth, and the confidence level of a niche demographic is crucial to sales success. The number of individuals with significant wealth in the country has a significant impact on the performance of premium and l...
