Abstracts

The packaging unit volumes of metal food cans used in shelf stable fruit and vegetables rose notably in 2020, with further positive growth in 2021. Shelf stable beans and shelf stable fruits are used as ingredients in sweet desserts such as ice flakes (bingsu), the best-known summer dessert in South Korea. The consumption of shelf stable vegetables, mainly sweetcorn, grew in line with increased at-home consumption due to COVID-19, as these are widely used for home-made snacks for both children a...
