Abstracts

As processed meat and seafood reaches maturity as a category, sales were quite robust in the face of COVID-19. Although the economic crises in Algeria did lower demand for some products, processed meat and seafood is expected to benefit from the fact that products in the category have an established customer base and quite high levels of brand loyalty. With consumers spending more time at home as a result of the pandemic, many Algerians looked for convenient and hearty meals to have at home, rea...
