Abstracts

Demand for processed meat and seafood in all formats increased significantly in 2020 as consumers, uncertain of the impact and duration of the pandemic-inspired lockdown in the early months of the year, began stockpiling. In particular, 2020 has seen a sharp rise in current value sales and volume sales of frozen processed meat and chilled processed meat. Demand for shelf stable processed meat and seafood also increased but at slower rate due to the restrictions on movement that affected in-store...
