Abstracts

Processed meat faced a number of challenges at the end of the review period. The pork crisis in China and other Asian countries led to a significant increase in raw material costs. Companies reacted to the challenges in different ways; some by reducing package weights in order to maintain affordable prices, while others began to position their products more towards the premium segment, where price is not the most important factor. Embutidos Sol?, for example, took the latter approach. However, g...

Euromonitor International's Processed Meat and Seafood in Spain report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2015-2019, allowing you to identify the sectors driving growth.
