Abstracts

Value sales growth of processed meat, seafood and alternatives to meat remains strong in 2023 with broader inflationary pressures a key contributor to this trend. While fuel costs in New Zealand have stabilised following the initial shock in 2022 when Russia invaded Ukraine, the government's temporary removal of excise duty on petrol ended in July, with these increased costs being passed on to consumers. In addition, flooding and extreme weather events in early 2023 across New Zealand placed con...
