Abstracts

Procter & Gamble Czech Republic is going to continually focus on improving its value share within all categories where it has a significant presence. This will involve higher marketing expenses on product promotion and product innovation, as it attempts to gain popularity among higher-income consumers with its high-quality product range.

However, it is going to continually face intensive competition over 2017 and 2018 including price competition which is going to limit its growth.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
