Date: April 2013

Pages: 3

Price: US\$ 150.00 (Single User License)

ID: P54D5760327EN

## Abstracts

Publix Super Markets is a strong regional player and will continue expanding its store base across its operating area as well as in new markets. In 2012, the grocery retailer announced plans to enter the North Carolina market. Because it will construct and plan its new stores from scratch rather than purchasing or leasing existing locations, the actual opening of the new store may not be until 2014.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

**Product coverage:** Non-Store Retailing, Store-based Retailing.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
