Abstracts

Pulse Flexible Packaging is expected to invest heavily in expanding its production capacity and range in the forecast period. The company is aiming for strong expansion, with a target of £80 million in turnover by fiscal 2018. The company is expected to continue to attract new clients in the forecast period, thanks to its distinctive innovations, with its High Resolution Gravure notably likely to attract many branded and private label players in packaged food.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
