Abstracts

In 2020 ready meals has recorded only slow retail volume growth, but a slightly higher rate than seen in the previous year. Because of COVID-19 and the associated restrictions implemented by the government on foodservice outlets, consumers have had to cook more at home. Ready meals offer the benefits of a cooked meal with the convenience of not having to cook, which is ideal for a night off, although it is mostly higher-income consumers who can afford such products. In addition, in 2020 these pr...
