Abstracts

With its broad product portfolio in tobacco, Reemtsma follows a conservative strategy. The company is being cautious with regard to investment in vapour products due to the high development costs involved. It is also careful with its marketing expenditure as brand profiles are expected to further weaken because of tightening regulation. The company is expected to continue to focus on its current strategy, which is to cater for all consumer tastes and price segments.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Cigarettes, Cigars, Cigarillos and Smoking Tobacco, Smokeless Tobacco and Vapour Products.
