## Abstracts

Renova SA is expected to continue its growth with a slow but constant growth rate thanks to its innovative and niche products that target particular consumer needs. Among its key activities, sales of toilet paper and kitchen towels would remain the key driving categories. The company is also expected to preserve its current positioning with an offering of premium and eco-friendly products.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
