Abstracts

Renova plans for the forecast period are expected to be very simple: Maintain its position as a leading domestic player within tissue and hygiene and increase its penetration into foreign markets. In order for these goals to be achieved, the manufacturer has already promised to invest in innovation and product differentiation as a way to reinvent this industry and to increase its popularity and visibility. A continued and sustained increase and improvement in the company's production is certain...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
