Abstracts

Consumer demand for retail adult incontinence remains stable in Bosnia and Herzegovina, with marginal growth in retail volume terms. In response to rising prices, the category has seen strong double-digit retail value growth. Older people are the main consumers of adult incontinence products, and many will have felt the impact of the rising costs of living in 2022, forcing them to make cutbacks where possible. Migratory trends are also a factor, with many adults leaving in their droves for wealth...
